

CONFERENCE ON

# Water Optimisation in Thermal Power Plants

12<sup>th</sup> - 13<sup>th</sup> June, 2013

## REGISTRATION FORM

(To be filled in block letters preferably)

Delegate \_\_\_\_\_

(Surname)

(First Name)

Designation \_\_\_\_\_

Name of Organisation \_\_\_\_\_

Mailing Address \_\_\_\_\_

City \_\_\_\_\_

State \_\_\_\_\_ PIN \_\_\_\_\_

Phone \_\_\_\_\_ Fax \_\_\_\_\_

Email \_\_\_\_\_

Dated \_\_\_\_\_ Signature \_\_\_\_\_

Registration Form, duly filled in, is to be mailed to the following address:

**Shri V.K. Kanjlia**

*Secretary*

Central Board of Irrigation and Power

Malcha Marg, Chanakyapuri, New Delhi 110 021, India

Tel : 91-11-26115984/26116567 Fax: 91-11-26116347

Email : malhotraak@cbip.org M: 9650991147; Web-site: <http://www.cbip.org>

### Note:

- Photocopies of the registration form can be used for additional requirements, if any.
- Spot registration facilities will also be available, provided the prior information is received.

Information Bulletin

CONFERENCE ON

# Water Optimisation in Thermal Power Plants

12<sup>th</sup> - 13<sup>th</sup> June 2013

India Habitat Centre, Gulmohar Hall, New Delhi

Organised by

Central Board of Irrigation & Power

Excellent Enhancement Centre

## ABOUT CBIP

CBIP has been organizing number of national and international training programmes to help the Indian engineers to update their knowledge and help them to gain practical know how in the field of power, renewable energy and water resources. CBIP is an ISO 9001:2008 certified organization and has been recognized as Category-1 Training Institute in the field of Hydro, Thermal, Transmission, Distribution and Power Management under the CEA Regulation 2010. CBIP has been conducting seminars, workshops, consultancy assignments in advance technologies.

## ABOUT EXCELLENT ENHANCEMENT CENTRE (EEC)

Indo-German Energy Forum was established by Republic of India and Federal Republic of Germany in 2006 to promote energy efficiency and energy security etc. Under the forum both the Governments decided to set up Excellence Enhancement Centre (EEC) for Indian Power Sector. With the initiative of Ministry of Power and Central Electricity Authority (CEA), EEC has been set up in India under the Indo-German Energy (IGEN) programme to facilitate performance improvements especially with respect to efficiency and reliability in Indian power sector by promoting the deployment of most advanced solutions regarding technology, processes and personnel skills.

## PROGRAMME NAME

Water Optimisation in Thermal Power Plants on 12th-13th June, 2013 at New Delhi

## PROGRAMME OVERVIEW

“Water, once considered a nearly inexhaustible resource, is increasingly limited, and water requirements for electricity production must compete with other demands, such as agriculture and sanitation”. Water is the life & blood of fossil power plants. Keeping in view the country’s power addition capacity in the 12th and 13th plan water optimization and water management skill are going to play a very important role. The best practices being followed by various power utilities will also help in optimization of water.

## PROGRAMME OBJECTIVE

The Conference aims to bring awareness on the current status of Water use & optimization in the power plants, identify various drivers, policy guidelines & their Utilization for developing schemes for its proper use. The conference also intends to provide a platform to present different water use & conservation measures being taken by different utilities for water utilization and alternative technologies being developed for reducing water consumptions.

## PROGRAMME PROFILE

- Water Policy
- National Water Mission
- Drivers for Water and Waste Water Recycling & Reuse
- Water Audit in Power Plants
- Water Management Skills
- Air Cooled Condenser Technology and its Viability
- Experience of Power Utilities Towards Reducing Water Consumption

## METHODOLOGY

The programme will be delivered through presentations by various expert from the power sectors, interactive group discussion and case studies.

## FACULTY

Eminent faculties from power utilities, manufacturer and Policy makers will be sharing their experience.

## WHO MAY ATTEND

Executives working in power utilities and consultancy organisation

**VENUE :** India Habitat Centre, Gulmohar Hall, New Delhi

**DURATION :** 2 Days

**DATE :** 12-13 June, 2013

## PROGRAMME FEES

Rs 10,000/- + Service Tax @ 12.36%

The programme is non-residential

*\*All payments should be made by cheque at par/Demand Draft drawn in favour of “Central Board of Irrigation and Power” payable at New Delhi.*

**REGISTRATION** – For registration the confirmation may be sent to:

## CONTACT PERSONS

**Shri A.K. Gupta**  
CEO, EEC  
M : 09899633772  
Email : akg0451@yahoo.co.in

**Shri C.S. Malik**  
Director (Energy), CBIP  
M: 9971880510  
Email : malikcs@cbip.org

\*For member organizations of CBIP/EEC 10% discount on course fee, can be availed.
