Ref EEC/Webinar/Invnt./2026/82

Dated: 17th March, 2026

Circular

Subject: Webinar “Open-Source AI/ML Integrated Distribution Network Model for RE integration and DISCOM Planning” - reg.

Sir/Madam,

Excellence Enhancement Centre (EEC) For Indian Power Sector (An Initiative of Indo German Energy Cooperation) is organizing a Webinar on “Open-Source AI/ML Integrated Distribution Network Model for RE integration and DISCOM Planning” on March 25, 2026 from 15:00 Hours to 16:30Hours on Microsoft Team. The presentation shall be made by **Dr. Anindya Bhattacharya, Executive Director, The Celestial Earth.**

The Presentation will cover tools that can be used by power utilities/ DISCOMs with digital, behind-the-meter, data-driven, and location-specific insights to support renewable energy integration, energy storage deployment, and demand flexibility planning, enabling seamless and grid-responsive RE integration.

It gives us pleasure to inform all that there is **NO PARTICIPATION FEE**. You are requested to send participant's name, name of organization, their mobile No, e-mail address from your organization at ceoeecips@gmail.com, director@eecpowerindia.com for enrolling the participants. The total participation is limited to 200 participants on a first come first serve basis. The link of the webinar shall be shared with participants in due course.

(Dr. Vikram Singh)
Director, EEC
