## Circular

**Subject: Webinar on "Behaviour Based Safety (BBS) For Power Sector Stakeholders" - reg.**

Sir/Madam,

As you may be aware that Excellence Enhancement Center (EEC) for Indian Power Sector (An Initiative of Indo-German Energy Cooperation) organizes specialized and practical webinars. Our recently concluded webinars "**Open-Source AI/ML Integrated Distribution Network Model for RE integration and DISCOM Planning** in March, 2026 and **Water Chemistry for Thermal Power Stations**" in June 2026 were highly appreciated by participants from Power Utilities. In our webinars our experts discuss various issues faced by the stakeholders and provide practical solutions.

The next webinar on the topic "**Behavior-Based Safety for Power Sector Stakeholders**" by **Shri Arvind Bhatia, Ex-CGM, ONGC**, is scheduled on **July 21, 2026, from 15:00 hours on Microsoft Teams**.

It gives us pleasure to inform all that there is **NO PARTICIPATION FEE** for the participants from the member organization of Excellence Enhancement Centre for Indian Power Sector (EEC). However, the other participants whose organizations are not members of EEC, need to register themselves with EEC for which participation fee of Rs 40,000/-(Rupees Forty Thousand Only) plus GST per organization shall be payable for this webinar. There is no Limit to the number of participants from any organization. However, the total participation is limited to 200 participants on a first come first serve basis.

Non-Members organization may seek membership of EEC to avail various benefits, including no fee for any webinar/workshop. For details, you may check our website or may contact Shri Rahul Wadhwa, Manager (F&A), Mobile +91-9810858495

You are requested to send participants' name, name of organization, their mobile No, e-mail address from your organization at [contact@eecpowerindia.com](mailto:contact@eecpowerindia.com) for enrolling the participants. The link for the Microsoft Team shall be sent to all enrolled participants.
