Sub: Internship at Excellence Enhancement Centre (EEC)
(An Initiative of Indo-German Energy Cooperation)

The Excellence Enhancement Centre (EEC) for Indian Power Sector invites application for one internship from students pursuing regular MBA/PGDM in Energy Management or B.Tech/BE(during 2nd / 3rd year of the course) in any discipline.

The internship offers an opportunity to gain hands-on experience in consultancy assignments within the Indian Power Sector, including Data Analysis, Report Preparation, Stakeholder coordination and Developing Social Media presence for EEC and updating its website. Candidates with strong IT base, Analytical, Communication, and presentation skills will be preferred.

The internship will provide exposure to real-time projects under expert guidance, thereby enhancing the interns' professional competencies. Interns will also have the opportunity to develop creative content related to the power sector while gaining a comprehensive understanding of utilities and the broader power sector ecosystem.

A lumpsum stipend of Rs 10,000 (Rupees Ten Thousand Only) shall be paid on completion of internship/assigned assignment. The internship will be for a short-term basis for one month period in Dec/Jan, 2027 in EEC office in **West Block 2, Wing No-5, R.K Puram, Delhi 110066 during 2026/27**. Interested students may apply with their resume containing a brief statement of purpose and email the same to contact@eecpowerindia.com **latest by 30/11/2026.**
